

Clean Up the Mold :30

Announcer: Hey parents of children with asthma, here's another hit from the Breathe Easies.

Singing: Come on and clean up the mold

Clean up the mold

Mold can trigger asthma in kids young and old.

Come on and clean up the mold

Clean up the mold in your house.

Announcer: This song may be fun, but childhood asthma is not preventing asthma attacks may be as simple as cleaning up the mold and mildew in your house. For more Breathe Easie tips to help stop asthma attacks go to noattacks.org Brought to you by the EPA and The Ad Council.
